

PRE-REQUISITES FOR AUTOCAD WORKSHOP

- Laptop(with charger) with AUTOCAD2020 software installed
- An extension board

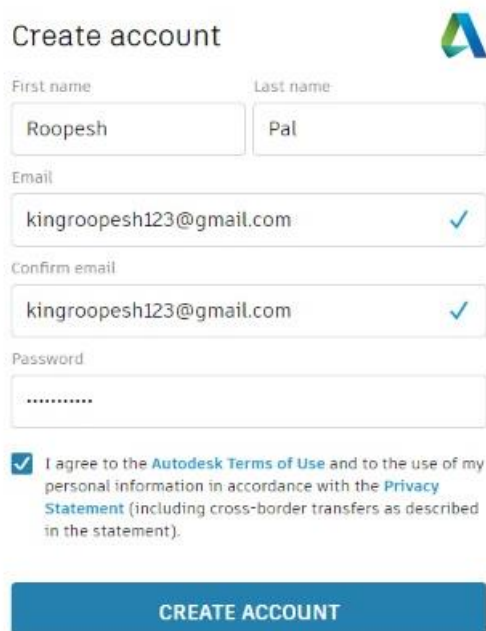

STEPS TO INSTALL AUTOCAD2020

1. Click on the link:- <https://www.autodesk.com/education/free-software/autocad>
2. Select the 'Create Account' Tab on the Home page.

The screenshot shows the Autodesk Education page. At the top is the Autodesk logo and a search bar. Below is a navigation bar with tabs: EDUCATION, Free software, Learn & teach, Competitions & events, Prepare & excel, Support, and All. The 'Free software' tab is selected. Below the navigation bar is a section for AutoCAD, featuring a large red 'A' logo, the text 'AutoCAD', and a description: 'Design and shape the world around you with AutoCAD software. Create precise 2D drawings and 3D models, work with designs across platforms and on any device, and enjoy greater flexibility with the new AutoCAD web and mobile apps.' Below this is a 'System Requirements' section with a note: 'Note: AutoCAD for Mac and Mac OS x 10.13 (High Sierra) compatibility is also available. Get AutoCAD for Mac'. At the bottom of the page, there are two buttons: 'SIGN IN' and 'CREATE ACCOUNT'. The 'CREATE ACCOUNT' button is highlighted with a yellow arrow. Below the buttons is a link: 'Not a student or educator? Get the free trial'.

3. Create your account by filling the details. Please ensure that you have a working email ID.
For example-

The screenshot shows the 'Create account' form on the Autodesk website. The form has the following fields: First name (Roopesh), Last name (Pal), Email (kingroopesh123@gmail.com), Confirm email (kingroopesh123@gmail.com), and Password (masked with dots). There is a checkbox for 'I agree to the Autodesk Terms of Use and to the use of my personal information in accordance with the Privacy Statement (including cross-border transfers as described in the statement)'. The 'CREATE ACCOUNT' button is at the bottom.

4. Fill in all the necessary details as shown for example-

Get education benefits 

Country, Territory, or Region of educational institution

India ▼

Educational role [WHAT'S THIS ?](#)

Student ▼

Institution Type

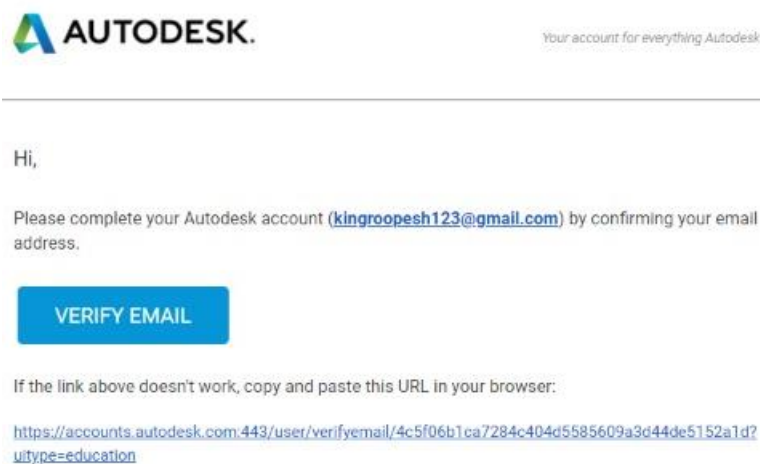

University/Post-Secondary ▼

Date of Birth

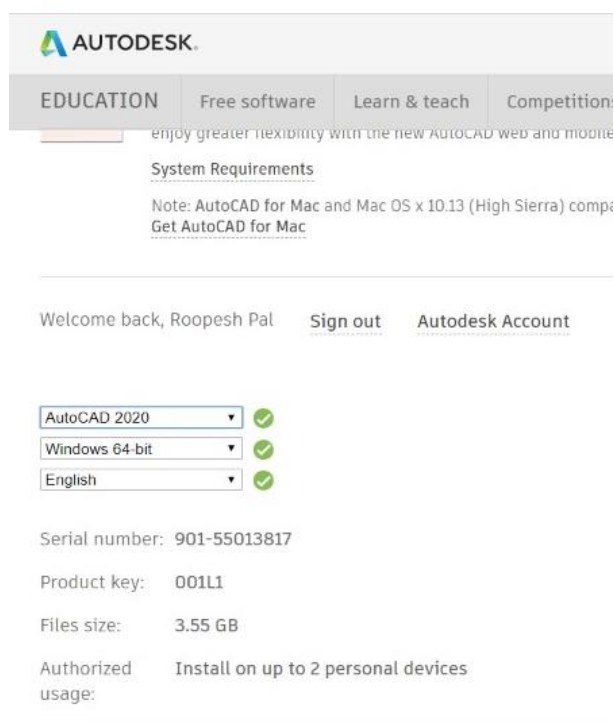

August ▼ 13 ▼ 1999 ▼

NEXT

5. After creating the account, a mail is sent to your email ID. Log in your email account to verify your email.

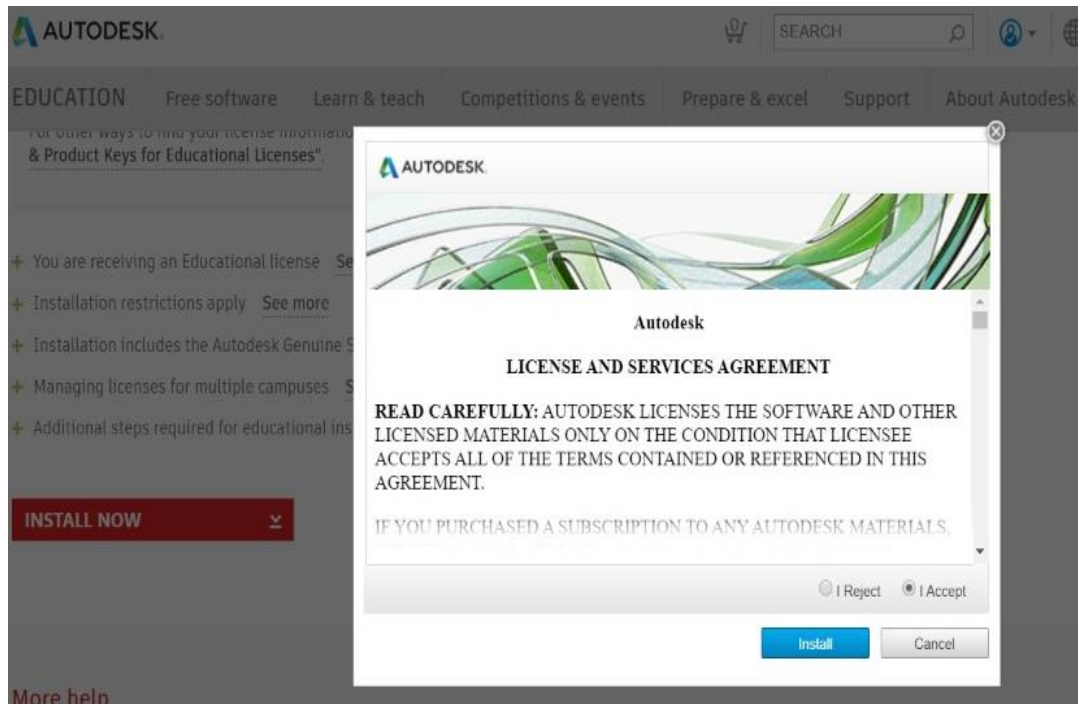

6. Again fill up the necessary details appearing on the screen. Then choose these options from the drop-down menu.

The image shows the Autodesk Education page. At the top is the Autodesk logo. Below it are four tabs: "EDUCATION" (selected), "Free software", "Learn & teach", and "Competition". The "EDUCATION" tab is active, showing a message about enjoying greater flexibility with the new AutoCAD web and mobile. Below this is a link to "System Requirements". A note mentions AutoCAD for Mac and Mac OS x 10.13 (High Sierra) compatibility, with a link to "Get AutoCAD for Mac". At the bottom, there is a navigation bar with "Welcome back, Roopesh Pal", "Sign out", and "Autodesk Account". Below the navigation bar are three dropdown menus: "AutoCAD 2020", "Windows 64-bit", and "English", each with a green checkmark. Below the dropdowns are the following details: Serial number: 901-55013817, Product key: 001L1, Files size: 3.55 GB, and Authorized usage: Install on up to 2 personal devices.

7. Click on 'Install Now' Tab to install the software.

8. Proceed further with installing of the software. This may take a longer time.
9. Click on 'Next' tabs till it finishes the installation process.

Your Software AUTOCAD2020 is ready for use!!!
